

Notice of Sources of Distribution

Steward Covered Call Income Fund (the “Fund”) paid a monthly distribution on April 20, 2026 to shareholders of record as April 16, 2026, with an ex-dividend date of April 17, 2026. This Notice is meant to provide you with information about the sources of the Fund’s distribution. You should not draw any conclusions about the Fund’s investment performance from the amount of its distribution.

The table below sets forth the estimated portion of the monthly distribution paid by the Fund with respect to each share class from each of the following sources: estimated net investment income (“NII”); estimated net realized short-term capital gains (“STCG”); estimated net realized long-term capital gains (“LTCG”); and estimated return of capital (“ROC”). ROC occurs when some of the money that you invest is paid back to you and should not be confused with “yield” or “income.”

These estimates are based upon information as of April 13, 2026. The amounts and sources of the distribution are expressed per share.
