**Past performance is no guarantee of future results. Investment return and principal value will fluctuate so that shares, when redeemed, may be worth more or less than their original cost. The Fund's current performance may be lower or higher than quoted. Before investing in a mutual fund, you should read the fund's prospectus carefully and consider the fund's investment objectives, risks, charges, and expenses. The prospectus contains this and other information about the fund. To obtain Fund performance as of the most recent month-end or to obtain a copy of the Steward Funds' prospectus free of charge, call Crossmark Distributors at 888.845.6910.**

The Steward Funds are distributed by **Crossmark Distributors, Inc., member FINRA**. Crossmark Distributors is an affiliate of Crossmark Global Investments, Inc., the Steward Funds' investment adviser. Crossmark Global Investments is an investment adviser registered with the Securities and Exchange Commission that provides discretionary investment management services to mutual funds, institutions, and individual clients.

The Funds' values-based screening policies exclude certain securities from the universe of otherwise available investments. As a result, the Funds may not achieve the same performance they otherwise may have in the absence of the screening process. If the Funds have invested in a company that is later discovered to be in violation of one or more screening criteria and liquidation of an investment in that company is required, selling the securities at issue could result in a loss for the Fund. Further, the Funds' values-based screening policies may prevent the Funds from participating in an otherwise suitable investment opportunity. With respect to Steward Equity Market Neutral Fund, the values-based screening policies apply only to long positions.
